

"Let light be your medicine"

LIGHT SERVICES PRICE GUIDE

Light therapy has been shown to help produce a dramatic rise in local cellular energy levels and blood flow. In turn, this procedure has been shown to help a multitude of conditions that require stimulation of healing, relief of pain and inflammation, and restoration of function.

REPAIR | \$45⁰⁰

*Add \$10 per additional pad

Light energy (LE) penetrates through multiple layers of skin to reach deep muscles and nerves. The result of this process can be a profound reduction in pain and the stimulation of tissue repair. This technology can help to produce a strong increase in localized blood flow, further supporting cellular regrowth and regeneration.

POTENTIAL BENEFITS:

Joints, Muscle, Nerve, Bone, Ligament
Tissue Injury
Arthritis
Chronic Pain Disorders

PAD PLACEMENT:

Eye mask for general relaxation
Red Light pad over Injured tissue
*Red Light pad over Injured tissue
*Place over chest if only 1 area affected

FOCUS | \$45⁰⁰

*Add \$10 per additional pad

Light therapy head cap is used to focus light energy over the brain in order to help improve both blood flow and energy levels. This in turn has been well documented to exert profound benefits for improving neuro-cognitive function.

POTENTIAL BENEFITS:

Focus, Attention, Memory
TBI, Head Injury, Concussion
Stroke, Parkinson, Alzheimers

PAD PLACEMENT:

Eye mask for general relaxation
Red Light pad over head
Red Light pad over back of neck

GUT SUPPORT | \$45⁰⁰

*Add \$10 per additional pad

Our gut plays a critical role in the optimal functioning of our body. During a relaxed session, we focus the benefits of light therapy to help improve circulation and reduce inflammation in the abdominal area.

POTENTIAL BENEFITS:

Gut Inflammation/Distress
Liver Support
Muscle Relaxation
Immune System Support

PAD PLACEMENT:

Eye mask for general relaxation
Red Light pad over chest
Red Light pad over abdomen

PERSONALIZE | \$45⁰⁰

*Add \$10 per additional pad
